What our clients are saying

"I want to thank Marc Roberts very much for his wise counsel and outstanding courtroom savvy." Lay Client (2020)

Marc specialises in private law Children Act proceedings and financial remedies.

He has particular experience of ancillary relief cases where conduct is in issue (including in relation to the transmission of HIV). Marc has represented women prisoners in relation to restraint / assault during pregnancy and child birth in the Queen's Bench Division.

Marc also appears in disciplinary proceedings and has represented students and trainees in relation to university disciplinary hearings, police officers and architects.
